 - 55% said more
 - How well attended
 - Provides
 - Mentorship
 - Social Camaraderie
 - More Resource?
 - Mentorship
 - Which interactions most appeal
 - attending events and meals
 - least is email updates
 - What is the role? What can it be?
 - More collaboration with A-team and committees
 - A-team input for bigger events. More exciting

- Tap into their interests intellectually or just for fun.
 - Topic tables
 - Sit at a certain table
 - More intellectual engagement
 - Need to take advantage of the knowledge of our A-team, it's a unique opportunity
 - Should be more than the faces of McMurtry
 - Event a couple of years ago with life stories of the A-team
 - Sounds Fantastic!
 - Lisa used to invite a professor to talk about a subject
 - Passion from professors, maybe not professional work
 - Sharing relationships with McMurtry
- Mentorship was high. How to go about that?
 - Office hours
 - How do freshmen get relationships with A-team?
 - Is there a structured way to get to do that?
 - Spotlight week for each member of the A-team
 - Focus on one of them
 - Use the hall system
 - Have an A-team member at Hall bonding during the week
- We done! My battery is almost dead! :)
