

Tacky Sweater/ Massage Train Town Hall  
November 20<sup>th</sup>, 2012

Holiday spirit is in the air! Tacky sweaters are everywhere. It's actually a little scary for anyone with any kind of fashion sense. There's also a massage train happening, and let me tell you, it's glorious. As secretary, I don't have to give anyone a massage because I'm typing -- there have to be some benefits! People are even multitasking by eating/drinking while they're doing it--impressive. Also, many, many people aren't here tonight. Gotta love Thanksgiving break early. BUT we have enough to vote, phew.

Study Time

- Because there are SO MANY study breaks during finals, the McM Academic Fellows are hosting a study time! Get together, do some work, have your essays edited, and study for finals!

McSkate!

- Sunday, December 2<sup>nd</sup>, 8 PM. Peter doesn't know anything else about it. Be there.

Custodial/Servery staff appreciation

- 23 staff members + Veronica
- Split it up 3 per hallway
- Goal is to have a thank you card and a gift card for every person.

Clearing Things from Hallways

- Peeps, they're serious about this.
- Monday after Thanksgiving, there going to be fining suites that have cluttered hallways.
- Clean it out now!
- 5<sup>th</sup>, that means clear out the whole space, because that area in the middle isn't actually a common room.

Gong Proposal!

- Wait a second, it's someones birthday! **\*\*Magical gong sound\*\***. See, wouldn't that be cool?
- Juan gives all the specs. I didn't type fast enough, sorry haha.
- They're requesting \$250 for the gong, plus a little extra to get a crest or a lion on the gong itself. It's meant to last awhile.
- **Lena says** "what if our birthday has already past?" She wants to figure out a way around that. Except that her birthday is in April so she'll get to use the gong. BITCH PLEASE.
- Who's going to take care of it/make sure it doesn't get rung too often/damaged? They plan on having a cover for it for times other than mealtimes. So random people don't walk by and make noise.
- Just put the stick in the AV closet!

- We vote on the gong. IT PASSES WASSUP.
- Do we have enough money for the lion/crest? YESSS SO MUCH MONEYZ IN INITIATIVES.
- Vote to engrave it? It passes again yayayay. The two people who voted against it originally vote for this. "WELL ONCE WE HAVE THE DAMN THING!"

#### Deck Proposal

- Shaan and Adam have a few words. They say their words.
- IT PASSES BA BAM BABY. That happened faster than we were expecting.

#### Other Announcements

- Men's Ultimate won!!
- Another idea: getting banners to celebrate our victories, like other colleges' Beer Bike/IM Wins.

#### Tacky Christmas Sweater

- Meaghan wins! It is so tacky. She's happy because she lost with it at her last Tacky Sweater Christmas Party. REDEMPTION. 20 hours of work put to good use.

Signed,  
Your McSecretary,  
Tyler (because Maya isn't here)
