

Town Hall
4/17/12

Tonight is the last Town Hall of the year! That means that McMurtry is bringing out all the stops. We have a red carpet (or someone's rugs?), picture taking, fancy frozen quiches and pizza bites. People are dressed up in their classiest attire, trying to make up for the devastating loss of Rondelet. Of course, we ALWAYS look good, even if we're not dressed in fancy clothes.

PODS and Summer Storage

- Same system as last year. I wasn't here, so hopefully it worked?
- We'll be getting 3 PODS toward the end of next week. Peter will send out an email. It'll cost a little more. Damn budget cuts!

Fee Increase Proposal

- College budgets haven't increased to account for inflation in years while other things across campus have.
- Wanting to increase student fees by \$15
- Why can't they take money from our already increased tuition? Already used for something else, apparently. Basically, Hutch and Leebron are hogging it all and throwing weekly pool parties.
- FYI the lights keeping going on and off. Blame Zenas and his back.
- Do we need this? Lena points out that we've worked with what we have, because we don't have alumni donating like Wiess. Ugh, they're dirty dirty rich.
- 15 dollars is a small impact on us, big impact on college.
- Straw poll: everyone agrees. YAY!

North College Block Party!

- 3 to 7 PM on Friday
- Party it up and show the south colleges that we're obviously better.
- Will the water slide be bigger than our college night slide? Robin thinks YES.

Tubing Trip

- This Saturday!
- Lena is turning 21, and she's buying lots of beer! Drinks: you should contribute to that.

Phils Concert

- 8 PM in the Chapel
- Erin's last concert. Sad face ☹

Town Hall Awards!

- According to Aaron, the most prestigious awards at McMurtry

And the winners are.....

- Biggest Flirt (guy)- Nader! What a surprise!
- Biggest Flirt (girl) – Niki! For the record, she tried to seduce me after this.
- Mr. and Mrs. Shit Show- Lena and Houston. Apparently they hug piñatas and swallow quarters?
- Cutest couple- Blake and Audrey! They get condoms and a picture frame!
- Bromance: Akshay and Tosh! It's almost a full-fledged romance.
- Womance: Dayae and Sneha They are SO excited to paint their nails together with the polish they won.
- Most bananas: Max! He is indeed bananas.
- Rugged....that is how a man is defined by his facial hair. Wait a second...what are you talking about Rache? Anyways, Best Facial Hair goes to Russel!
- Best Dressed: Zenas. His sash and tiara are so swagalicious.
- Who does McMurtry think is sexy and want to see in a kilt? Their president of course! Peter Abraham!
- Biggest Facebook Creepa: Vlad. His defense? "It shows up on my newsfeed!"
- Most likely to get carded when she's 30? Maya Carillo! She loves her juice boxes.
- Most likely to have a college named after them/most successful? Tyler Woods. With more coin wrappers and gigantic paper clips than I'll ever know what to do with.

Best dressed of the night awards? Our nominees are Tyler Jenkins, Colby Sieber and Christa Nnoromele. They have to make acceptance speeches! Tyler goes bananas, Colby says thank you, and Christa breaks down. The prize goes to Christa! For her second town hall prize of the year. She's in it to win it, people!

Love,
Your Sec-sy McSecretaries,
Tyler and Maya
