

AWFUL TOWN HALL --- 4/2

Oh. My. Goodness. Everyone looks absolutely ridiculous. My fashion senses are cringing at the sight of the people here tonight. Like seriously, if I saw you in broad daylight wearing those clothes I would probably pretend not to know you if you tried to talk to me or just slap you, and then I would remove you from my friend group because I simply could not be seen with you. It would hurt my social reputation. There are lots of crazy hats, suspenders, knee-high socks and the likes. Giles is showing off his legs in some fabulous gold shorts and is sporting matching flippers and a superhero cape. Hutson looks like one of those crazy cat ladies, the crazy pigeon lady from Marry Poppins, or some weird vegetable lady that sleeps in her garden (we all know how much Hutson LOVEESSS vegetables!). Despite the horrible attire there is delicious fondue and Peter is dressed terribly in mismatched plaid, high socks and a crazy hat. Honestly, what more could you ask for?

So we totally got Peter back for his heart-wrenching April Fools joke the other day by having the majority of EC pretend to abandon Peter to run Town Hall all by his lonesome. So I'm not really sure what went on for the first 5 min of town hall. Sorry guys ☹ I'm sure it was SUPER important...but probs not since Trent was talking and he really isn't that important of a person. JK! Trent we love you and all your SA knowledge :D

So this is what I walked into....

- Trents SA spiel
 - Everyone does sports because McM is badass!
 - Currently everyone is frustrated and sick of GSA always winning
 - Vlad doesn't think GSA is a college...everyone agrees.
 - To put them in their place there has been two propositions. We could either have a new award called the Deans Cup or we could re-evaluate the way the points are tallied for the Presidents Cup
 - Deans Cup without GSA..... and Martel (because Martel is not a college)
 - Add in freshman sports

- We still get a trophy
 - Possibly conceding the GSA always winning? Leaning toward revamping the presidents cup
 - Obviously we should just cheat and use steroids... GSA SUCKS
- Straw poll vote
 - we should modify the Presidents Cup
 - I honestly don't know what was said here because sports talk confuses me...something about adding points for freshman sports and changing the way the points are tallied...more details to come
- Should we have a group of students who knows how the university allocates all their money?
 - Eeehhhh....who cares about student funds?
 - May be too large of an undertaking
 - What is the purpose? You can know all the stuff but what do you do with that knowledge?
- TUBING
 - Get on the waitlist in case someone doesn't pay
 - Or take matters into your own hands and kill/seriously injure someone who is on the bus list so you can move up a spot....just make sure you don't get caught
 - We are funding our own beer so we don't have to bug SJP
 - We will have lots of water and noms to satisfy everyones tummy
 - Pay Kern
 - \$20 for bus
 - \$12 if you drive there and pay when you get to the tubing place
 - Leaving around lunch time
 - Putting a list up of people who are driving that still have space in their car
 - We want EVERYONE to go!!!! SO MUCH FUN!!
 - Potential bummer....the county may have implemented some policy about having open containers on the river :/ FUCK THE POLICE. We do what we want!
 - But for real, its being looked into. Cross your fingers!
